FRANZ MAIRINGER O.A.M. AWARD

A charter President of APEX in 1968, Franz had volunteering running through his veins. In 1989 at age 40 he became the Charter President of Kangaroo Valley Lions Club and progressed until he became District Governor of N2 in 1997. Franz went on to become Council Chairman in 1998.

Whilst actively working to help and improve his community, Franz discovered the Spinal Cord Fellowship and, with Lorraine by his side, actively promoted our cause.

Franz was awarded the Order of Australia Medal in 2003 and continued his support of the community wherever and whenever he could.

A son, brother, husband, father, grandfather and a truly wonderful man, Franz passed away in 2014

This Award honouring Franz is open to all clubs or individual Lions who make a donation to the "LIONS SPINAL CORD FELLOWSHIP" of \$A750 or more.
