

APPLICATION FORM
WIN TYQUIN AWARD

Win was the wife and staunch supporter of the much respected and beloved Leo Tyquin who served Lions with great distinction for many years.

In the search for an appropriate award for supporters of the Lions Spinal Cord Fellowship, the committee was conscious of the fact that its often the grandmothers, mothers, wives and women generally who take on the primary caring role of those with chronic disability.

The Win Tyquin Award is an attractive, free-standing glass award with Donor details and the recipient's name and the month awarded are elegantly laser-etched on the award.
