

Lions Australia Spinal Cord Fellowship "ONE SMALL STEP..."

Five years ago - in less than a second - Josh went from two wheels, to four.

Every year, hundreds more Australians become wheelchair-dependent. The scientists at StepAhead Australia are getting closer to a cure for spinal cord injuries, but they urgently need your help to continue!

Please, help them to get people like Josh back on their feet again!

ALL CORRESPONDENCE TO: Lions Spinal Cord Fellowship PO Box 203, Traralgon Vic 3844 Ph. 03 5176-6789 E: info@lascf.org.au
